

# SAMMY THE SHARK AND THE MANY, MANY LOOSE TEETH

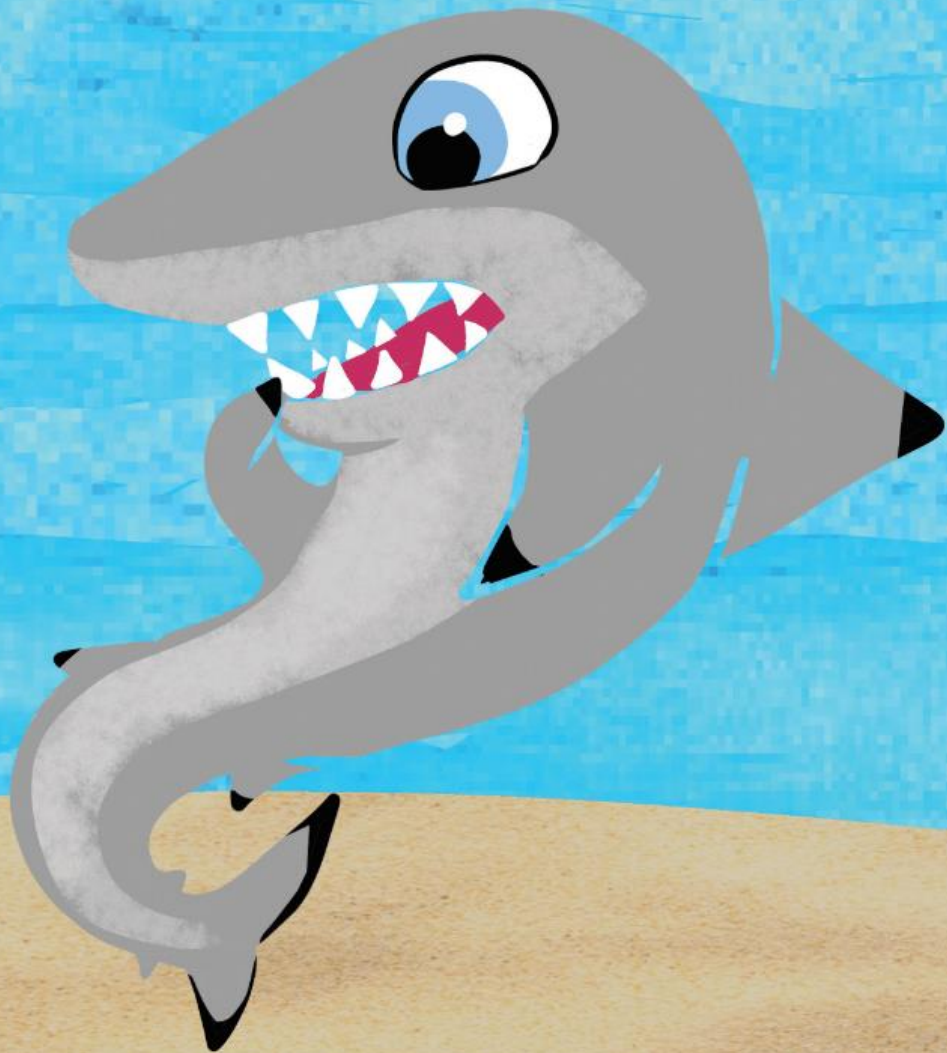

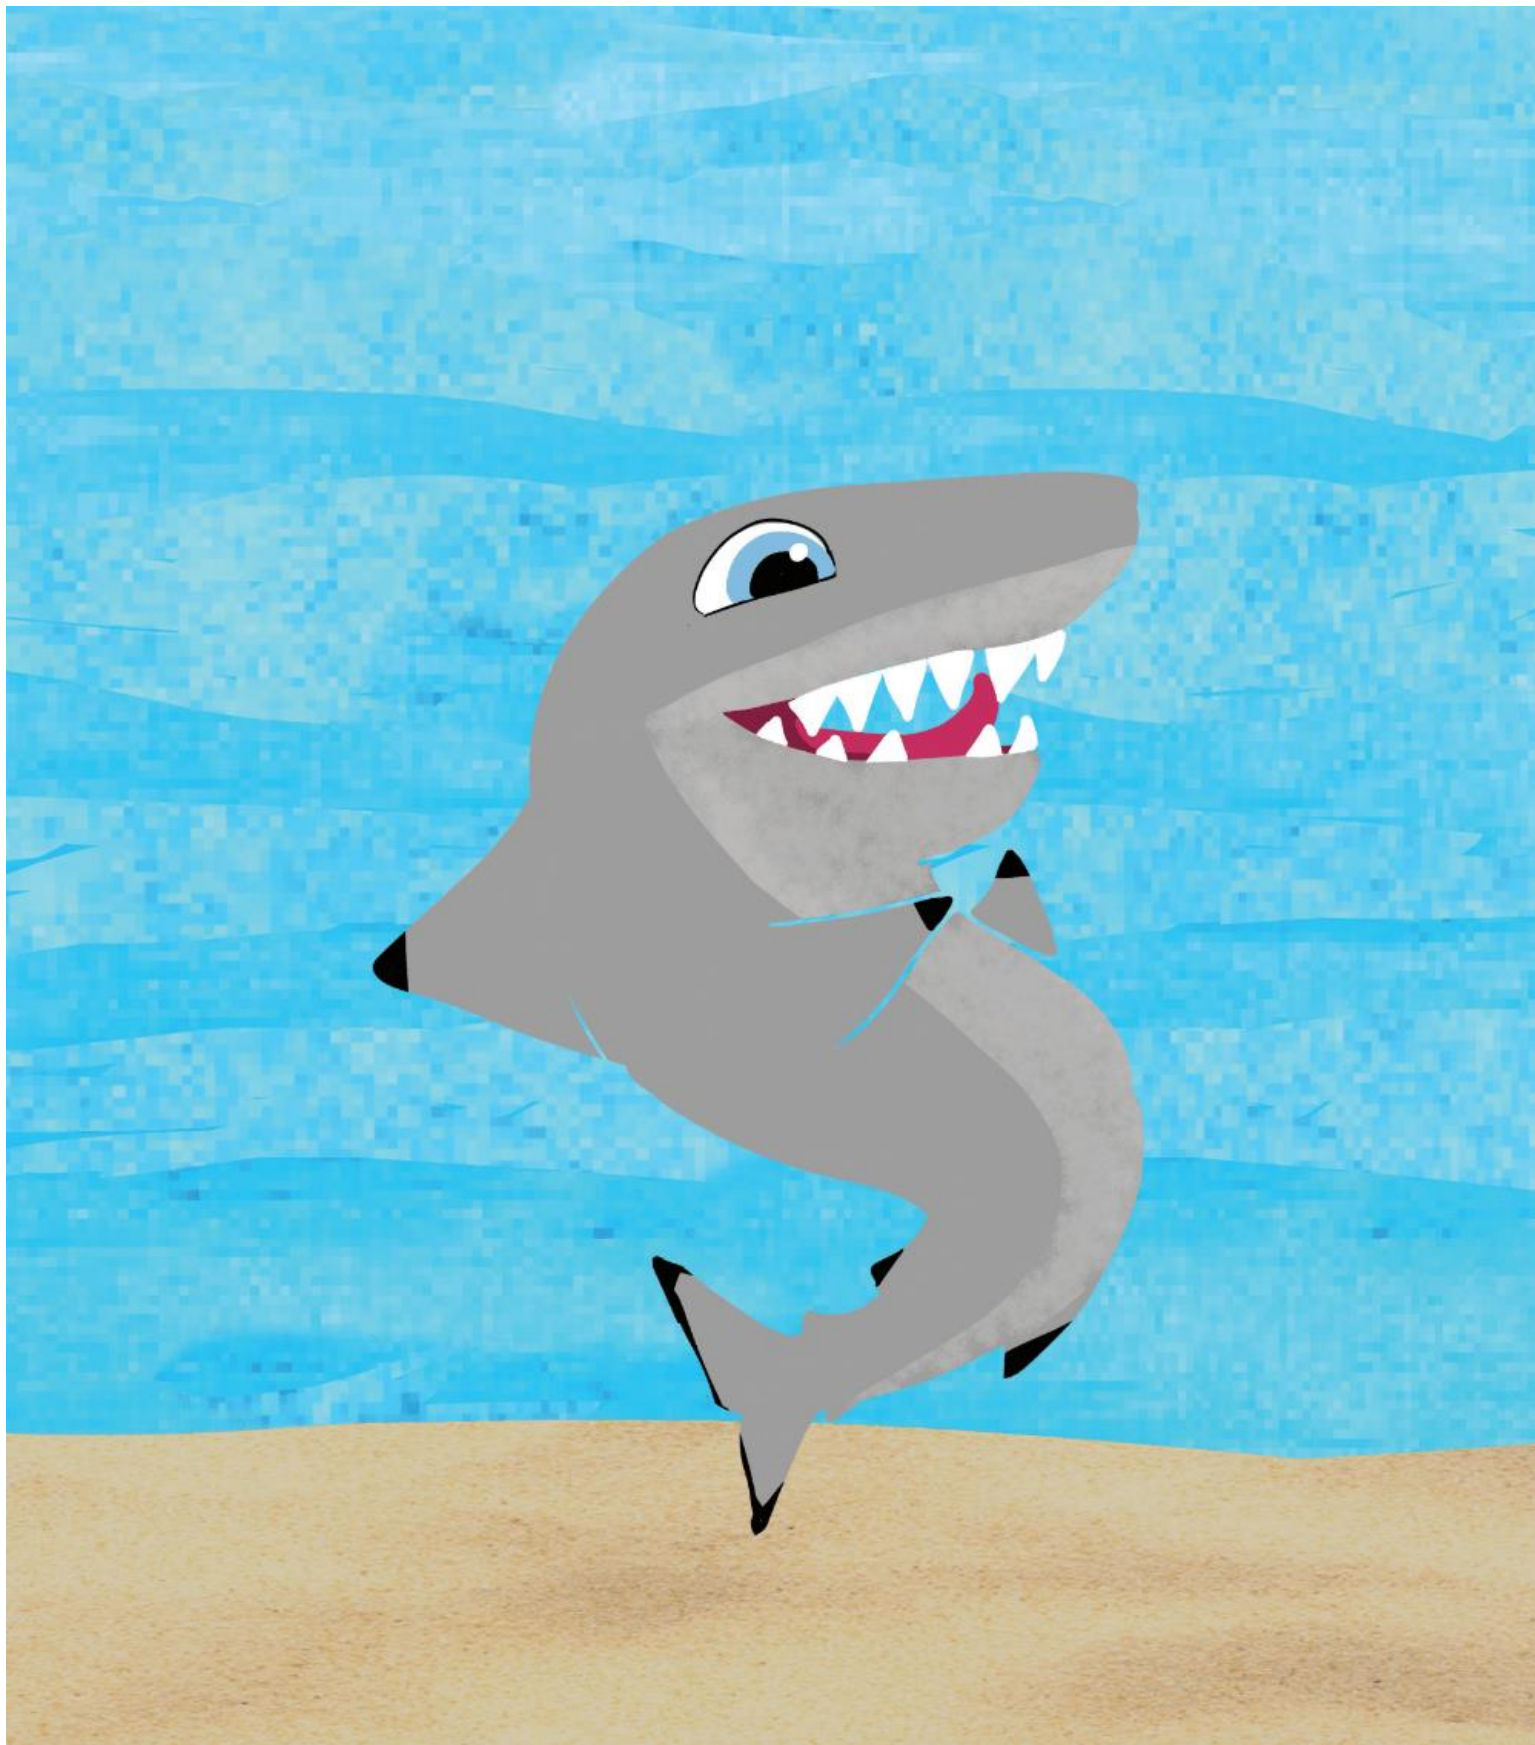

Twisted Orca

By Keri Newman

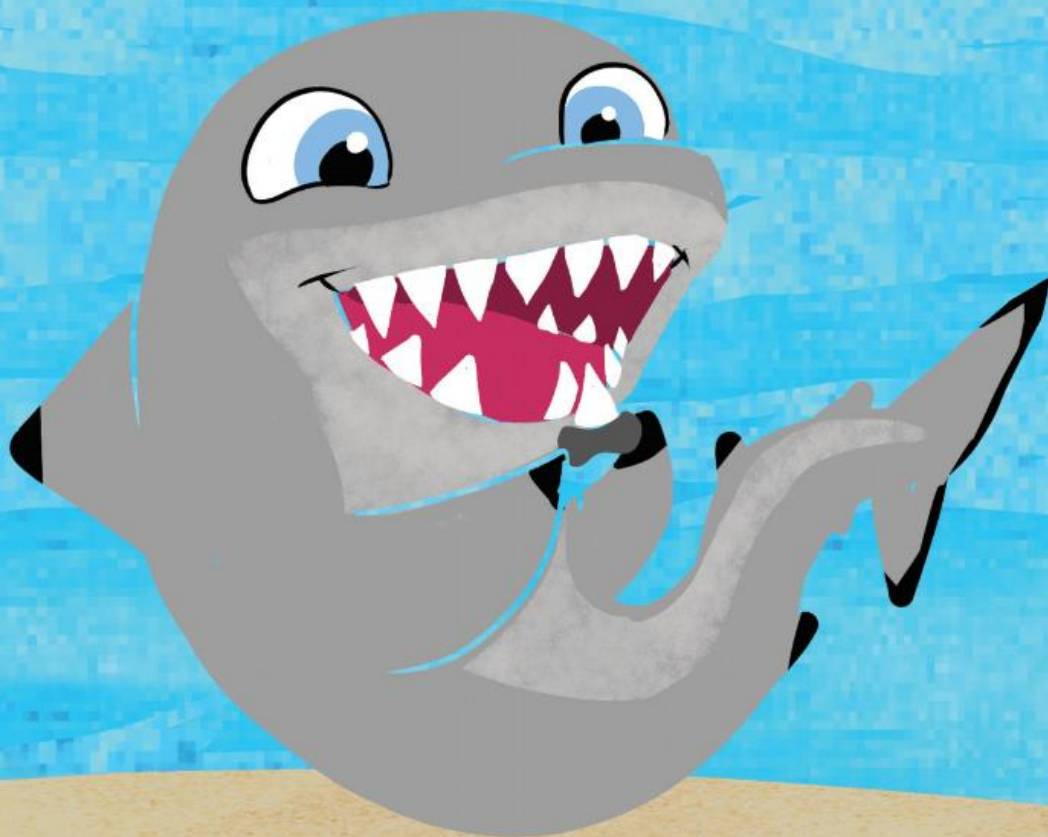

**Sammy the shark had a very loose tooth!  
He could wiggle it with his tongue.  
He could wiggle it with his fin.**

**That night, Sammy's loose tooth fell out!  
Sammy put his tooth under his pillow.  
He waited happily for the Tooth Mermaid  
to come.**

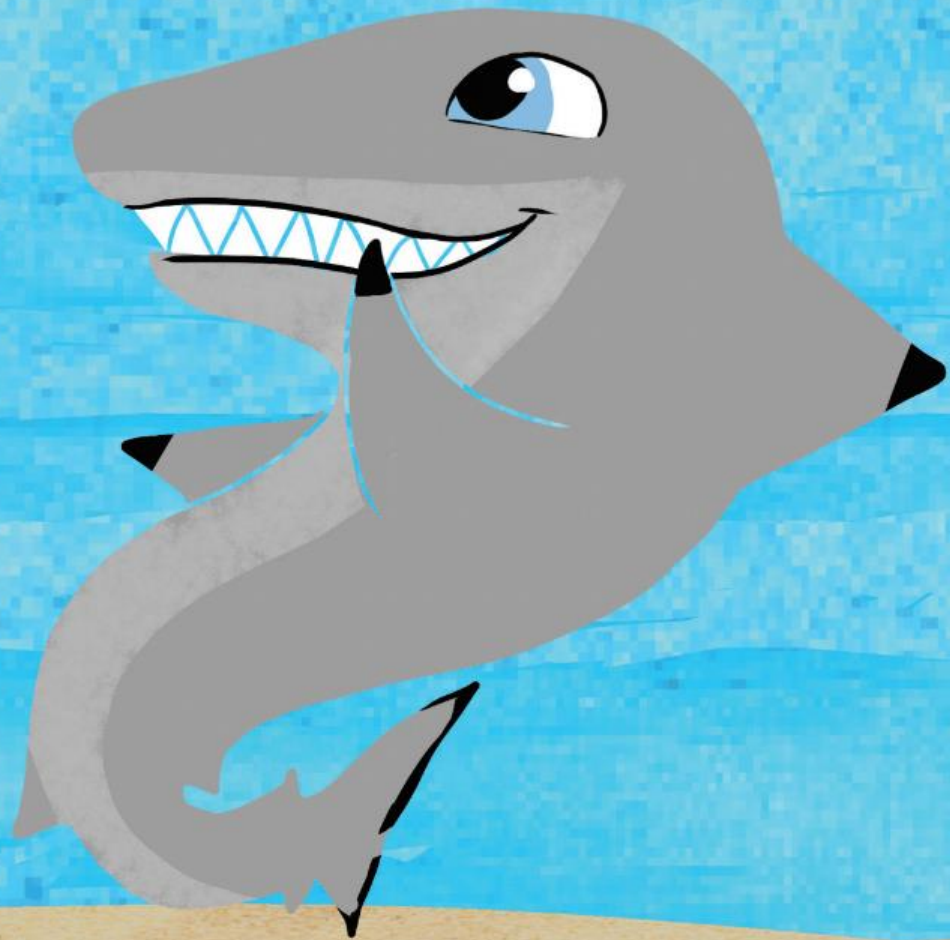

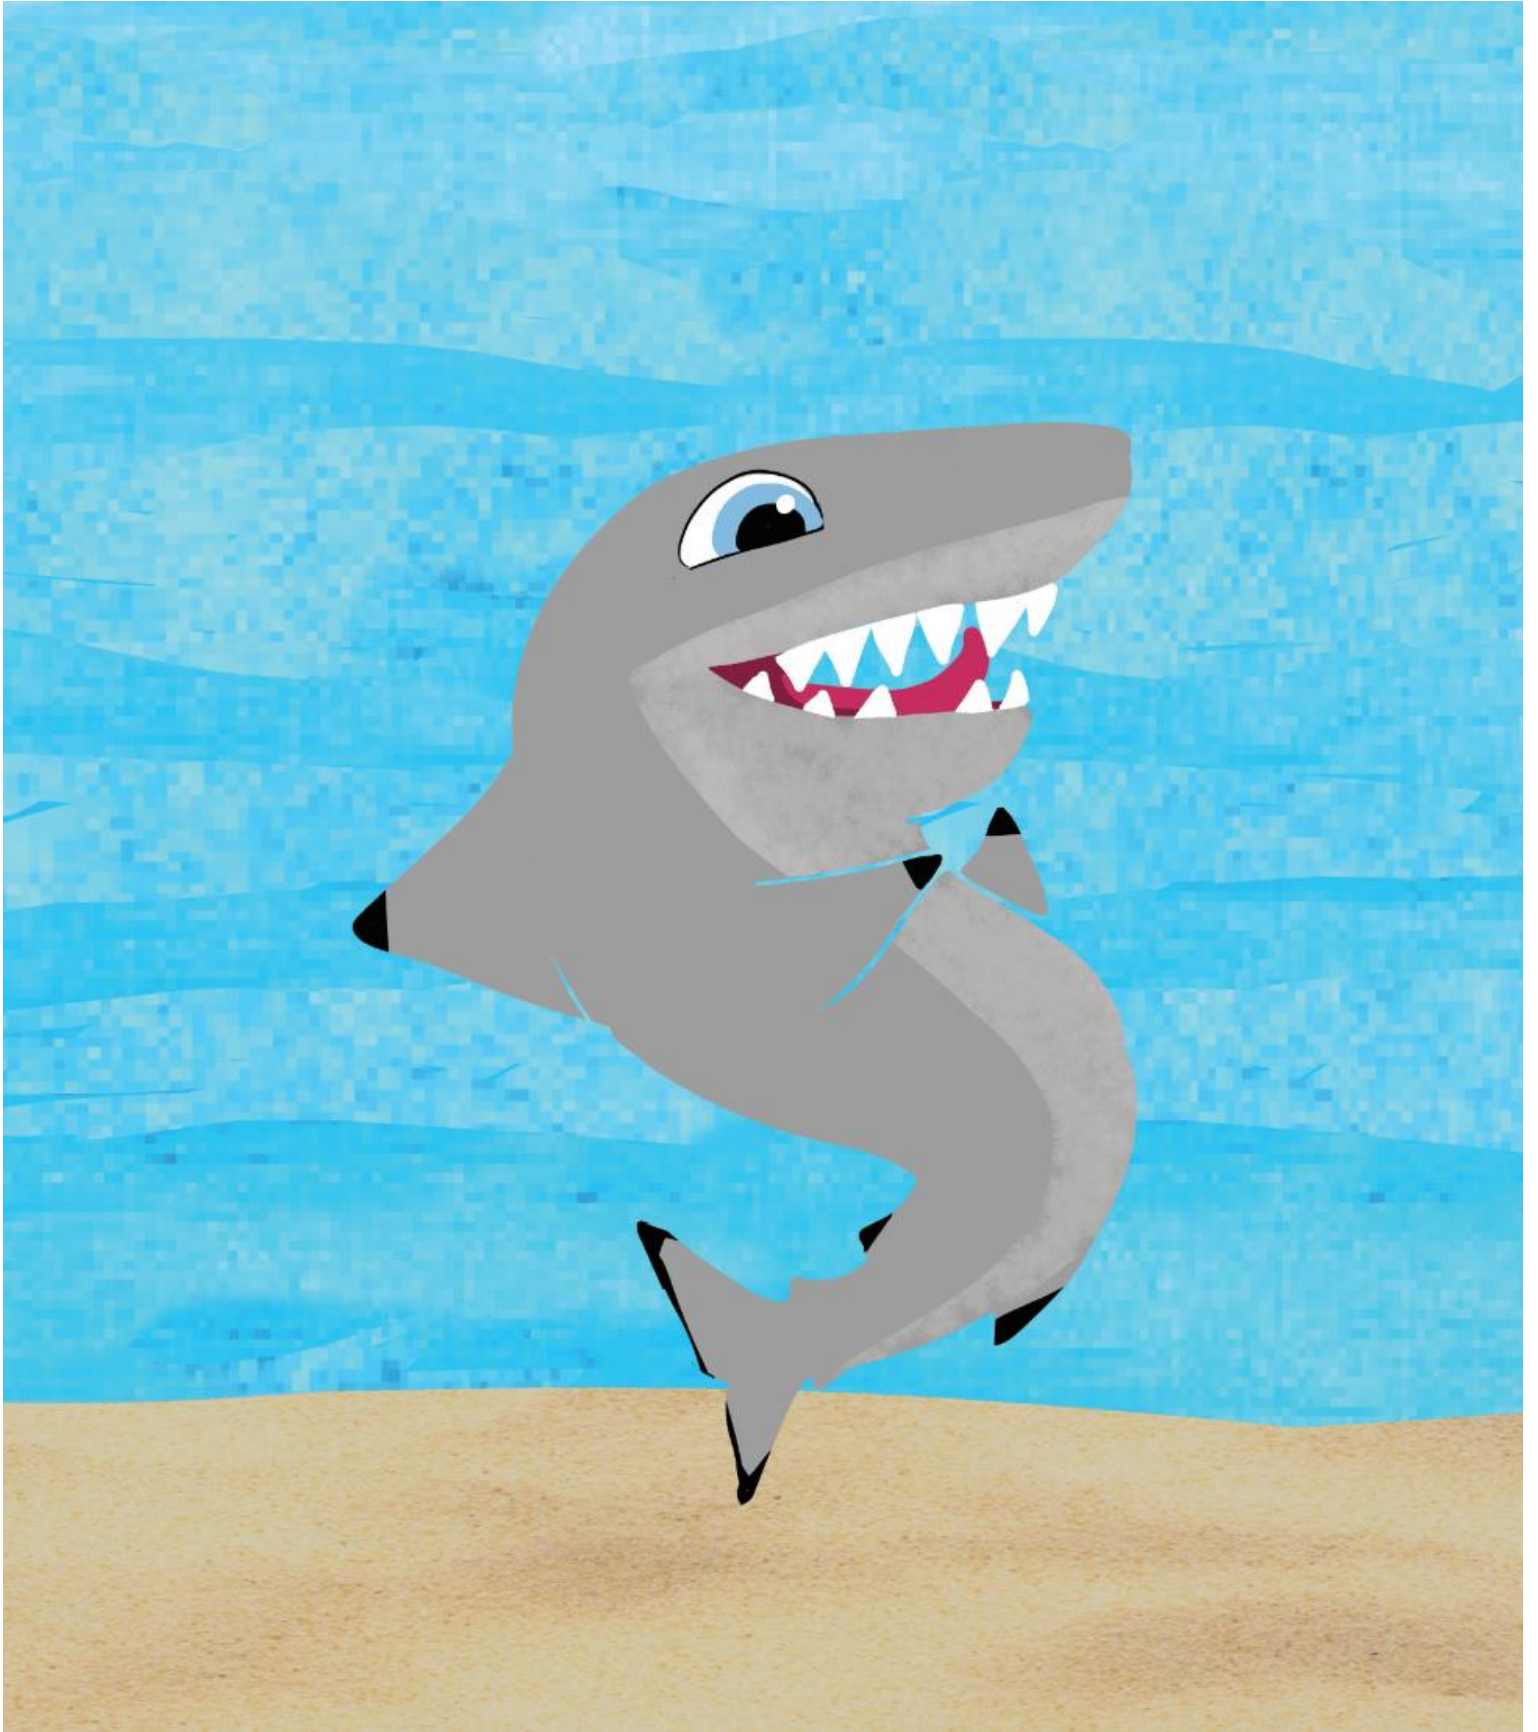

**How sweet,  
I love my job.**

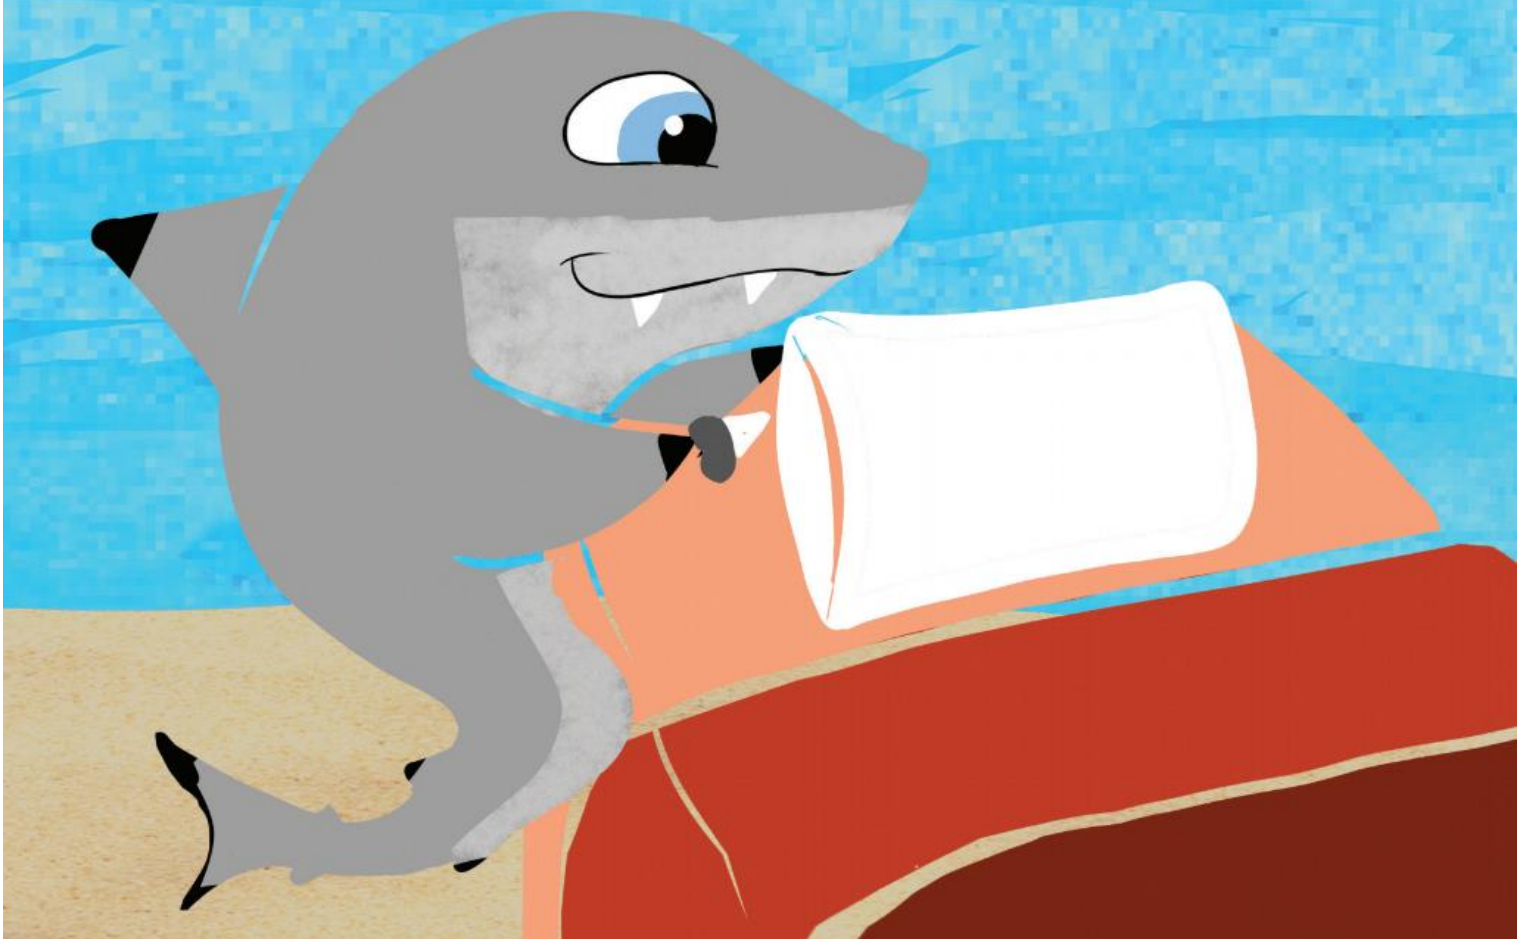

**The very next day...  
Sammy the shark had two very loose teeth!  
He could wiggle them with his tongue.  
He could wiggle them with his fin.**

**That night, Sammy's loose teeth fell out!  
Sammy put his teeth under his pillow.  
He waited happily for the Tooth Mermaid  
to come.**

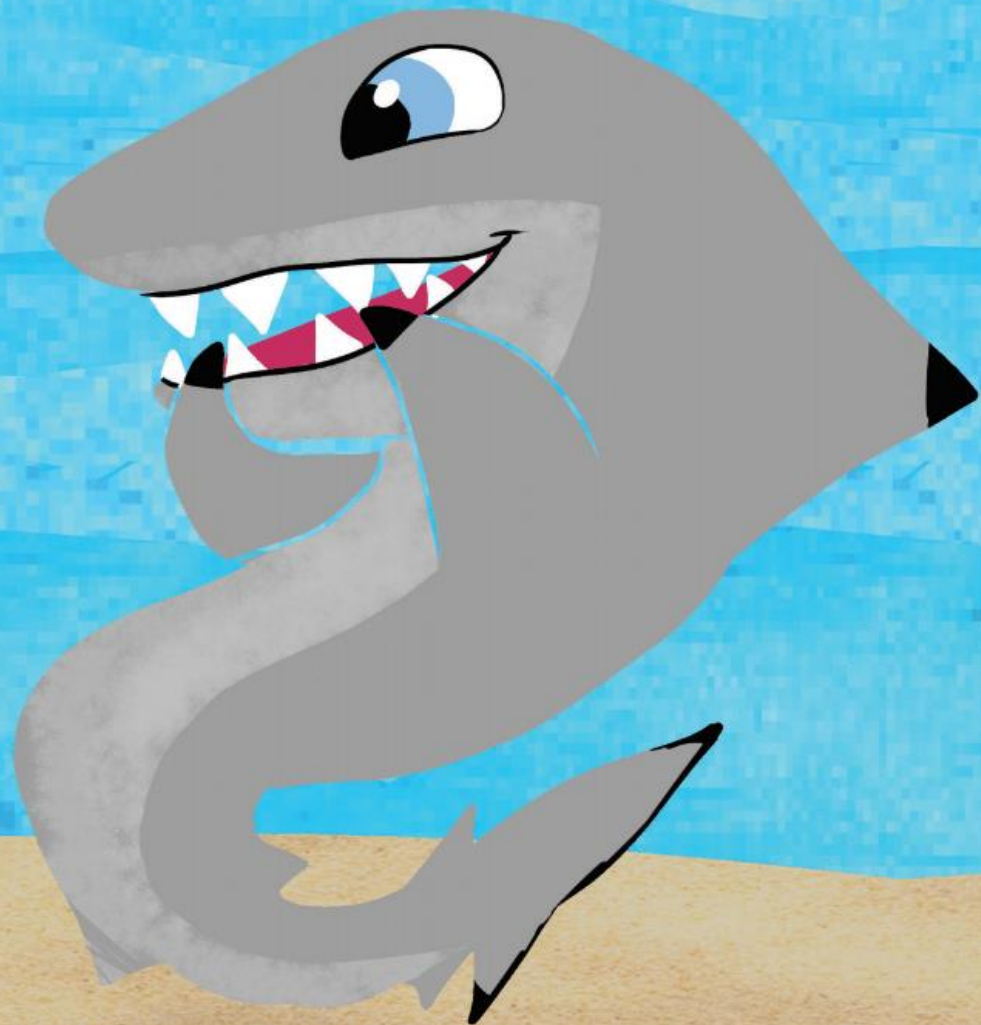

**That was fast.**

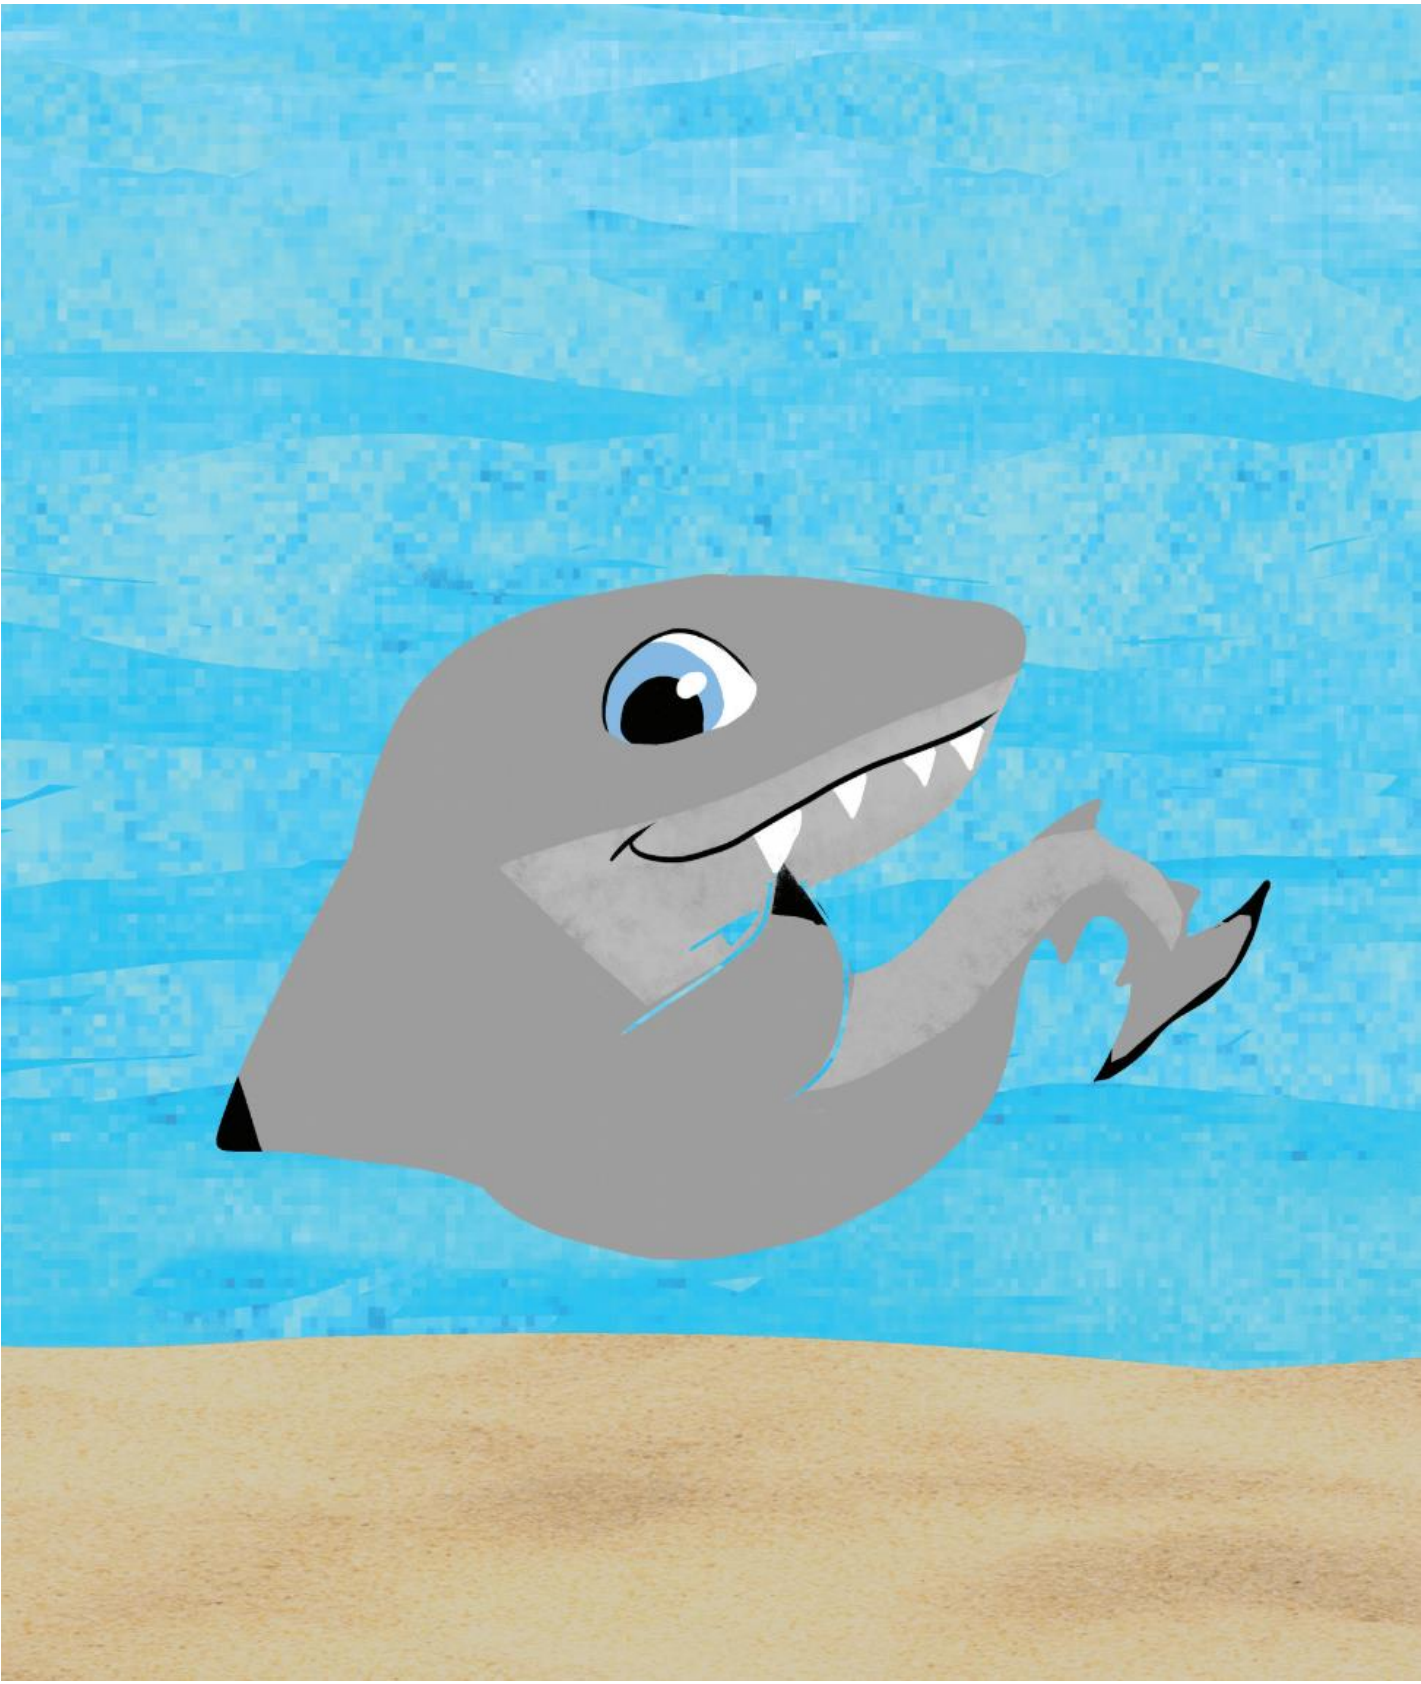

**The very next day...**

**Sammy the shark had ten very loose teeth!  
He could wiggle them with his tongue.  
He could wiggle them with his fin.**

**That night, Sammy's loose teeth fell out!  
Sammy put his teeth under his pillow.  
He waited happily for the Tooth Mermaid  
to come.**

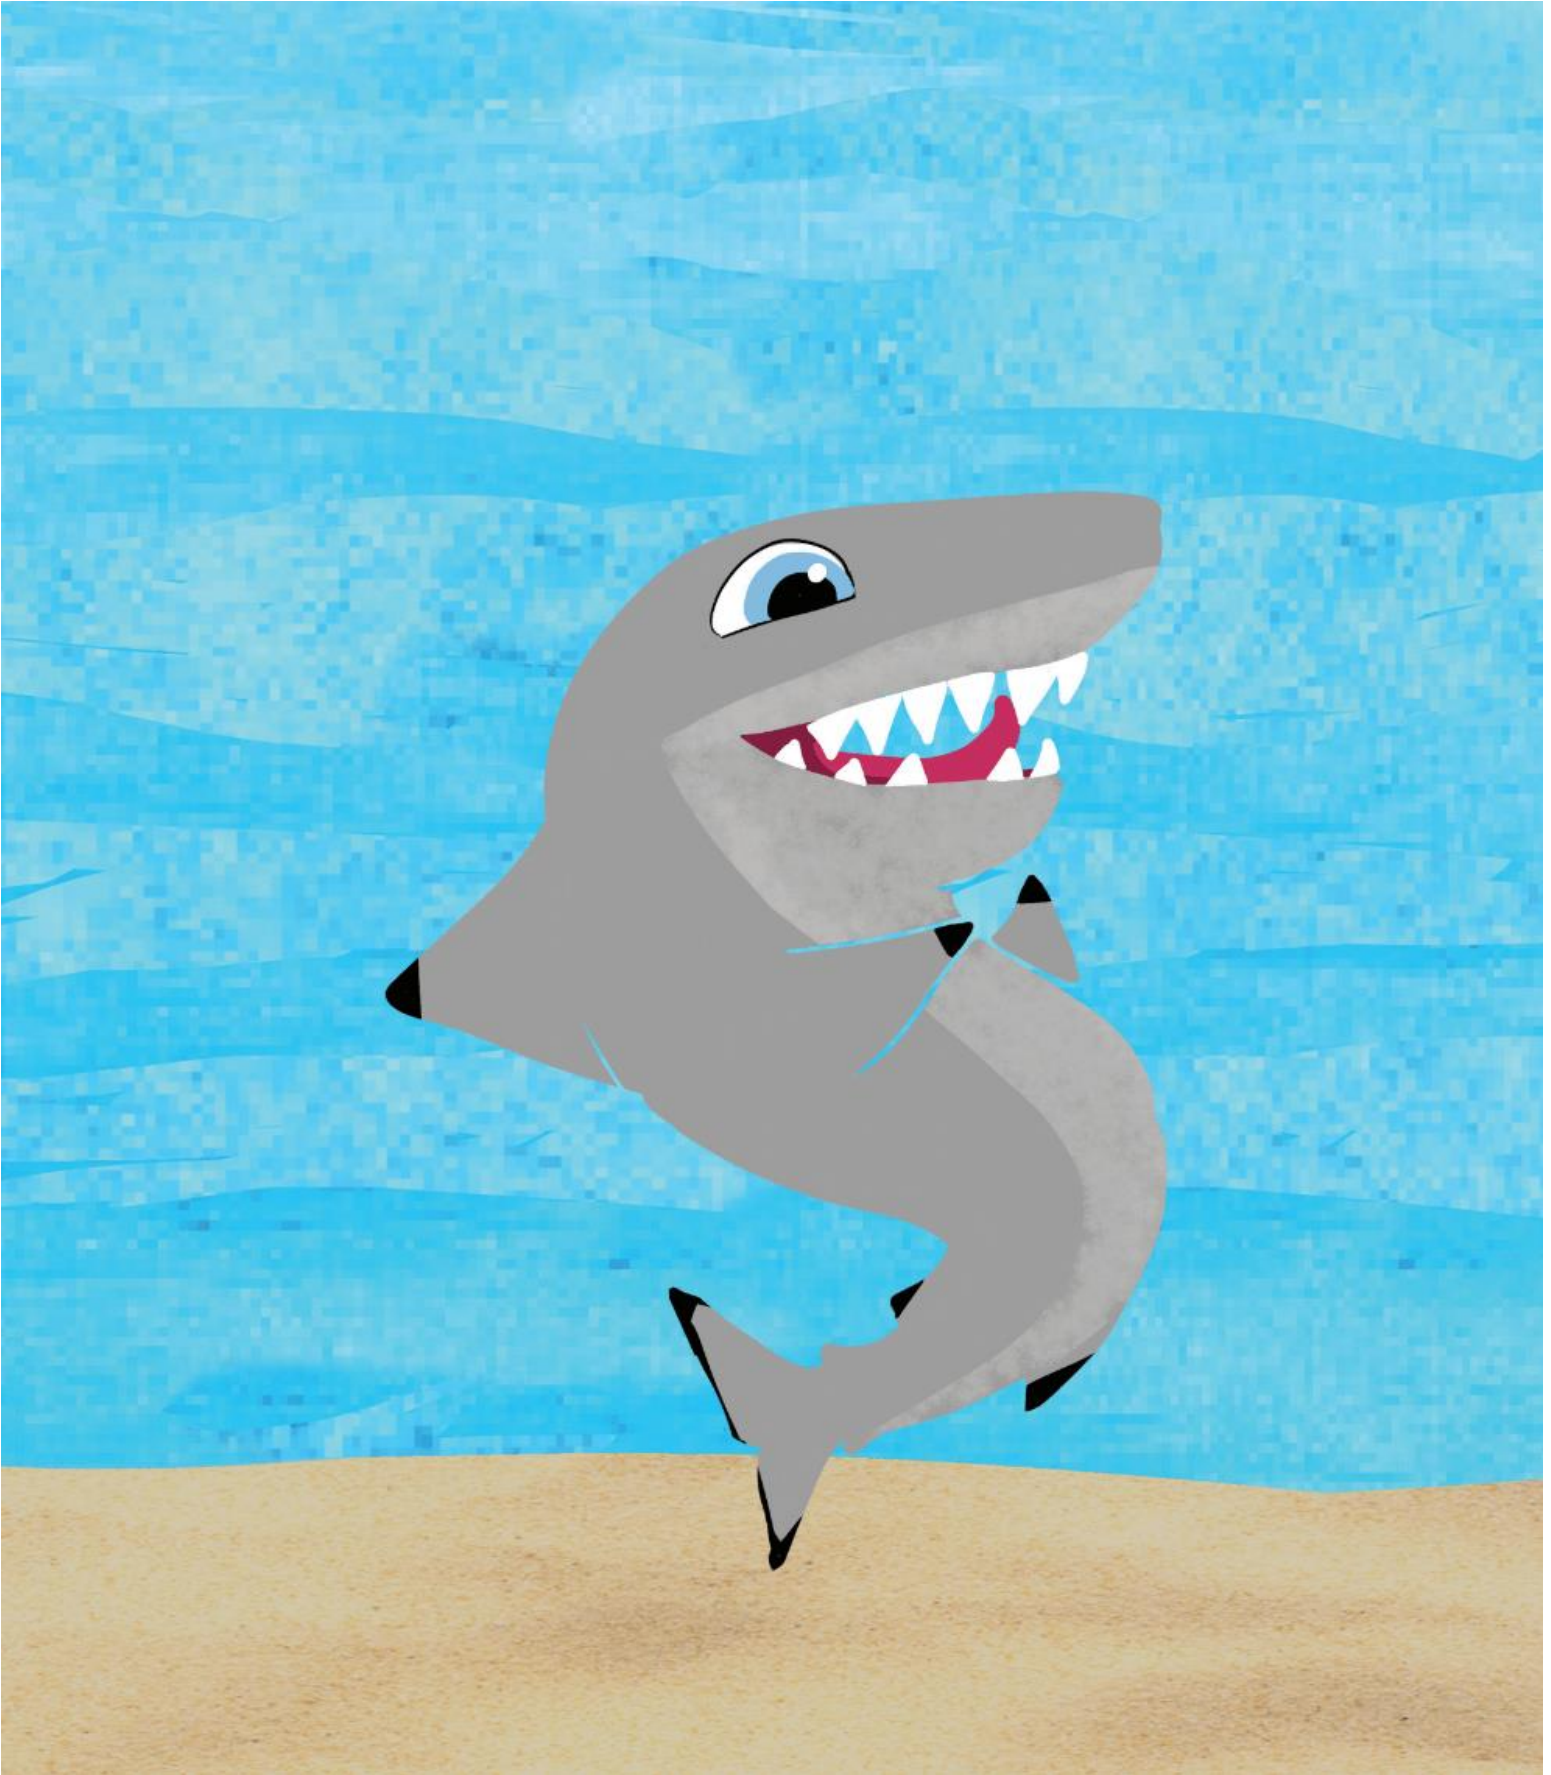

**I'll have  
to get more  
coins.**

**The very next day...  
Sammy the shark had twenty very loose teeth!  
He could wiggle them with his tongue.  
He could wiggle them with his fin.**

**That night, Sammy's loose teeth fell out!  
Sammy put his teeth under his pillow.  
He waited happily for the Tooth Mermaid  
to come.**

**Ooofff**  
This bag is  
getting heavy!

He has  
*thousands*  
of teeth!

**That's it!  
I need to find  
an easier job!**

**The Tooth Mermaid went straight to the employment office to get a new job!  
"Let's see....Mrs. Sunfish needs a nanny for her millions of babies" said Mr Wright.**

**That would not do! The Tooth Mermaid asked what other jobs there were.  
"Mr. Humpback's barber shop needs a new barnacle scrubber." said Mr Wright.**

**That would not do! The Tooth Mermaid asked what other jobs there were. "The Squid family needs a new ink collector." said Mr Wright.**

**Being a Toothmaid was hard work, but it was the right job for her. It would do!  
She did love teeth....and little sharks.**

**Oh boy!!  
I have another  
loose tooth!!**

**Me too!**

## **SHARK FACTS**

**Sharks can have up to 3,000 teeth at a time, and can loose 100 teeth in a day!**

**Shark teeth often wash up on the beach. Keep an eye out next time you visit!**

**Most sharks tongues don't move. It's Sammy's special talent.**

**Sammy is a Blacktip Shark. Blacktip sharks live in warm costal waters around the world.**
