

How to Draw Nico the Narwhal

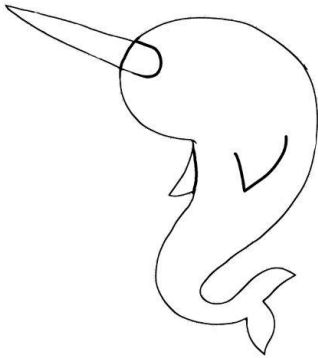

Step 1: Draw a bean shape.

Step 2: Draw a curvy triangle on the bottom of the bean.

Step 3: Draw curvy triangles on either side of the tail. Make sure they meet in the middle.

Step 4: Draw a cone for the "horn". Add two curved triangles for the flippers.

Step 5: Draw a smile and two rounded shapes for the eyes.

Step 6: Draw curved lines on the "horn". Color in the pupils leaving a white circle for a reflection.

* A Narwhal's "horn" is actually a very long tooth!
